But, why are you here?

Ah...I was really in a hurry, but someone was in the stalls...
What!? You fell... because you were that much in a hurry?
No, my contact lenses...

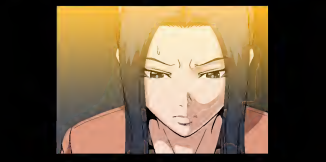
Assisstant manager Kang. Leaving work for a considerable amount of time like that is something only students would do.
Don't you know that we are short-handed?

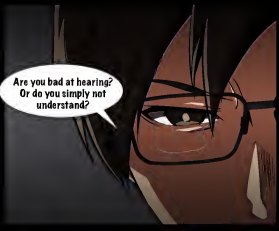
Even with help arriving, you should at least cover the basics and know where to lend a hand.
If I'm ever wrong in anything, try to correct me.
No... I'm sorry...



YOMANGA.CO YOMANGA

So... She followed Yeul-Ah...

From this point on, assistant manager Kang, I want you to report your location, work contents, time and its details to me.
Come again?



Are you bad at hearing? Or do you simply not understand?

No... I understand...
